**Rashtriya Ekta Diwas**, also known as **National Unity Day**, is celebrated every year on **31st October** to mark the birth anniversary of **Sardar Vallabhbhai Patel**, one of the greatest leaders and freedom fighters of India. He is remembered as the ***Iron Man of India*** for his **strong leadership, determination, and vision that led to the integration of more than 560 princely states into one united nation after independence.**

The day serves as a reminder of his tireless efforts in shaping India into a **single, sovereign entity**. Sardar Patel believed that the true strength of a nation lies in the unity of its people. His contributions laid the foundation for a **united, progressive, and self-reliant India**, making him a symbol of national integration and stability.
